Located in a gated community of 86 homes in Fishhawk school district with a low HOA and NO CDD, this 3 year new home is the ONE! The home boasts 3368 square feet of living space including 5 bedrooms, 3 full bathrooms and a 3 car tandem garage. The paved front porch welcomes you into the bright open first floor. The first floor features an open concept living/eat-in kitchen space perfect for family gatherings. The kitchen features granite countertops, stainless steel appliances, updated custom backsplash and a large island/bar. The bar opens to a large eat in area and leads to a private bonus office/mom-cave area. The kitchen is open to the large living space featuring in-wall HD wiring and plenty of space for the whole family. Sliding glass doors off the living space lead to the covered back porch and back yard. A bedroom, full bathroom and formal dining room round out the first floor. Up the stairs, you will find the large loft as well as the additional 3 guest bedrooms, each with their own walk-in closet, the additional guest bathroom and the master suite. The master suite opens to the large master bathroom complete with dual walk in closets, garden tub and shower. There is access to the oversized laundry room from the master bathroom as well as the loft. Built-in valet station conveniently located just off garage entry door, updated landscaping, irrigation system and garage cabinets are just a few examples of the upgrades and details this home offers.
